PUBLIC INFORMATION ANNOUNCEMENT FOR IMMEDIATE RELEASE

NOTICE TO ALL MOBILE HOME OWNERS

All owners of Mobile Homes (other than those taxed as “real property”) need to renew their annual registration decal prior to January 1, 2014 to avoid late payment penalties and compliance enforcement actions.

“Regular” Mobile Home Registration Decals must be purchased each year in December. Single wide homes must have one decal. Double wide homes require two (2) decals, etc. ***All*** mobile homes are required to display the appropriate decal(s) as proof that the taxes due have been paid.

Doris Maloy, Leon County Tax Collector said, “We want to remind all mobile home owners – both inside the City and in the unincorporated areas of the County - that it is now time for them to pay their annual registration tax and obtain their 2014 decals. “

Failure to purchase the proper decal will result in late fees being added to the bill. In addition, enforcement action can result in additional collection fees of 20%, a fine, and possible court appearance.

Mobile home owners who have questions about obtaining their 2014 decals should call 488-4735
